

**GDM**  
by your side

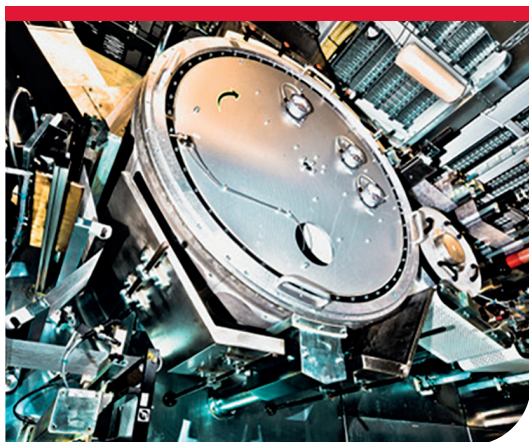

# Beyond the machine

## Full-Plant Solutions

Thanks to our 30-year expertise in the Disposable Hygiene industry and the synergies with the Coesia companies, we provide complete industrial solutions to support customers.

From raw materials handling to palletizing, we are ready to shed a new perspective on your business.

## Business Made Easy Approach

**Our goal is to simplify  
the customer's business  
throughout the whole  
Value Chain**

We put at the customer's disposal our knowledges to support start-up companies from the very beginning following the full project from **plant requirements, technology, product development**, proposal of financial solutions with the cooperation of main accredited institutes, **to training and services for investment protection**, taking the advantage of a **single-source supplier**.
